INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants
bring to the attention of the Examiner the documents listed on
the attached PTO 1449. This Information Disclosure Statement
is being filed before the mailing date of a first Office
action on the merits. Applicants respectfully petition and
request that the Examiner consider the listed documents and
evidence such consideration by making appropriate notations on
the attached form.

This submission does not represent that a search has been
made or that no better art exists, and does not constitute an
admission that each or all of the listed documents are
material or constitute "prior art". If it should be
determined that any of the listed documents do not constitute

"prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

The Commissioner is authorized to charge our Deposit Account any additional fees (or credit any over payments) that may be required under 37 C.F.R. §§ 1.16 and 1.17 in association with this communication for which full payment has not been tendered.
